### INTRODUCTION

We were genuinely overwhelmed by the success of our first ever Market Day in December 2020 and sincerely humbled by the support and encouragement of stall holders and attendees. We received many, many requests to make the Markets a regular event at Dreamtime.

..so we have set some dates for 2021 and even right up to Easter 2022!

All stallholders who joined us in December are very very welcome to join us again. You are our rock, the base from which we will grow our market days.

We would love to hear from market stall operators from all over Queensland and interstate...with a particular focus on locally produced arts and crafts and locally grown produce.

We'll once again hold the HUGELY successful didgeridoo playing in the theatre and would love more working displays and active performances.

The more we can help each other, the greater the give and take, the more successful our markets will be, so don't hesitate to call and ask if you have any grand ideas that will help make this a special event.

Your contribution will make all the difference.

Entry to the markets will be FREE. Stall holder fees are included on the booking form. Payment to be made at least 48 hours prior to set up.

**Set up times:** 3pm - 5pm the day before (Friday) and from 6am Saturday, the morning of the markets. All stalls must be set up and ready to trade by 8am and trade through until midday.

**Departure:** dismantle from 12midday Saturday 12th December 2020.

The complex is fully fenced and locked after hours however no responsibility is accepted for any loss or damage.

For more information contact Ann Armstrong on 49361655 or email dtimel@iinet.net.au
